TIM NUTT FROM JUST FOR LAUGHS AND COMIC VISION

TIM NUTT is a comic who can't be judged by his cover. Long-haired, bearded and "rough around the edges", audiences expect Nutt's material to match. But he surprises with razor-edged punch lines and well conjured-up premises that place him as one of the top comics working today. Tim's way of cutting through the nonsense of everyday life has made him a favorite comic across the country. Tim has appeared at both the Montreal and Toronto Just for Laughs festivals.
