# GDHBA CODE OF ETHICS

*Members shall comply with the Ontario Building Code as a minimum standard for construction and shall work toward its improvement in the interest of structural sufficiency, safety and health.*

*Members shall plan sites and homes to conform to the principles of good community planning and support for the environment.*

*Members shall deal justly with their employees, subcontractors, and suppliers of all goods and services.*

*Members shall exchange information and experience, and encourage research on materials, technical advancements and building techniques in order to provide the best value to their customers.*

*Members shall avoid all conduct or practice detrimental to the house building industry, to the Association, to the good name or reputation of any of its members or its customers.*

*Members shall commit to continuing learning through human resource policies and practices, including employment practices which treat employees as assets.*

*Members shall actively promote health and safety principles.*

*Members shall treat their competitors, including their property and ideas, with respect.*

**THESE RESPONSIBILITIES ARE FREELY AND SOLEMNLY ASSUMED AS  
THEY FORM PART OF AN OBLIGATION AS MEMBER OF THE  
GUELPH AND DISTRICT HOME BUILDERS' ASSOCIATION**
