GDHBA CODE OF ETHICS

Members shall comply with the Ontario Building Code as a minimum standard for construction and shall work toward its improvement in the interest of structural sufficiency, safety and health.

Members shall plan sites and homes to conform to the principles of good community planning and support for the environment.

Members shall deal justly with their employees, subcontractors, and suppliers of all goods and services.

Members shall exchange information and experience, and encourage research on materials, technical advancements and building techniques in order to provide the best value to their customers.

Members shall avoid all conduct or practice detrimental to the house building industry, to the Association, to the good name or reputation of any of its members or its customers.

Members shall commit to continuing learning through human resource policies and practices, including employment practices which treat employees as assets.

Members shall actively promote health and safety principles.

Members shall treat their competitors, including their property and ideas, with respect.

**THESE RESPONSIBILITIES ARE FREELY AND SOLEMNLY ASSUMED
AS THEY FORM PART OF AN OBLIGATION AS MEMBER OF THE
GUELPH AND DISTRICT HOME BUILDERS' ASSOCIATION**
